About: We are calling to action volunteers to improve quality of life in our community. Spend a day volunteering with us at nonprofits to complete much-needed service projects at local organizations. Day of Caring is an excellent way to connect co-workers, students, neighbors, and friends to civic engagement in our community. Sponsors enable us to cover printing and advertising costs to extend our promotional efforts and help support administrative time put into implementing this MASSIVE county-wide volunteer effort. *United Way of Franklin County is a 501(c)3 tax deductible organization.*
