

United Way is

Local

Our focus is in the communities of Franklin County. We work alongside our neighbors to improve quality of life through local programs and initiatives.

Accountable

Gifts through United Way of Franklin County work through programs within our communities. The work of United Way and programs we support is carefully reviewed by community volunteers to ensure that donor dollars are invested efficiently and effectively.

Impactful

From funding resources, to volunteerism and advocacy, United Way of Franklin County touches lives across our community—strengthening local services, connecting people, and empowering individuals and families to thrive.
